

Fire Destroys School, Gym at Walnut Ridge

WALNUT RIDGE, Ark. (U. P.) — A \$325,000 fire gutted the Walnut Ridge High School and connecting gymnasium buildings early today.

Supt. A. M. Rainwater said the big, two-story red brick high school building and the similarly constructed gymnasium were total losses. No injuries were reported.

The gymnasium already had burned when the blaze was reported by an unidentified service station attendant at nearby Hoxie. Approximately 100 firemen from Walnut Ridge and surrounding communities battled the flames for more than four hours in 15-degree temperatures but were unable to save the high school.

Rainwater said \$130,000 of the loss would be covered by insurance.

Origin of the fire was unknown but it was speculated that a lighted match or cigarette might have been tossed accidentally beneath the seating facilities in the gym.

The gymnasium last night was the scene of an invitational high school basketball tournament. The last game was completed about 11 p. m.

The high school building was constructed in 1923, the gymnasium in 1949.

Rainwater said classes would remain dismissed until at least after the Christmas holidays.

Then, school presumably will be held in buildings such as churches.

Represented among the firefighters who battled the flames and bitter cold were units from Hoxie, College Station and the Walnut Ridge Air Force Base.

Mississippi Changes Child Bride Law

By TIM PARK R

JACKSON, Miss. (U. P.) — The age of the child bride will end in Mississippi next July 1.

For decades, the nation has been shocked by the marriages in Mississippi of girls as young as 10 or 11, often to men old enough to be their grandfathers.

Like others escaping the strict laws of states as far away as Illinois or New York, they were married in the neon-lighted "marriage mills" just inside the Mississippi state line.

The Legislature yesterday replaced Mississippi's lax marriage law with one about as strict as any. It requires a blood test to prove the couple does not have syphilis, a three-day waiting period, and sets minimum ages of 16 for women and 17 for men.

Publicity about child brides this year probably helped pass the bill. Present laws set no minimum age for marrying.

Mary Lou Lawson, 14-year-old Zelma, Mo., schoolgirl, was married at Hernando last Oct. 3 to a 79-year-old great-grandfather, John G. Tatro of Sturdivant, Mo. "I'd rather be an old man's darling than a young man's slave," said Mary Lou.

The "marrying business" is a big thing in border counties, especially those on federal highways. Last year, Mississippi's 66,223 marriage licenses were topped only by Nevada. Of those 66,223, more than 64 per cent went to out-of-state residents and 48 per cent went to teen-agers.

Almost every important state organization from the PTA, Farm Bureau and medical association to the League of Women Voters, supported the bill.

Contracts on Water Projects Held Up

WASHINGTON (U. P.) — The Army Engineer Corps said today it is holding up award of all new contracts on water projects. Its announcement said:

"We are reexamining our program in the light of new budgetary considerations. The award of new contracts is being deferred pending results of this review."

An Army Engineer spokesman said the holdup order applies to any new contract on an existing or new flood control, navigation, power or similar project being built by the engineers. He said he was unable to supply a list of what projects might be involved.

Says Ike Must Make NATO a Going Concern

By JACK BELL

WASHINGTON (U. P.) — Sen. Mansfield (D-Mont.) said today President Eisenhower faces the job in Paris of making NATO into a "going concern" instead of a "symbol of defense."

Mansfield, assistant Democratic leader and a member of the Senate Foreign Relations Committee, returned from a European survey with the stated conviction that the North Atlantic Treaty Organization is disintegrating.

Sen. Green (D-R.I.), chairman of the Senate Foreign Relations Committee, said his observations in Europe indicated to him that NATO is not falling apart. But he said Eisenhower ought to provide some dramatic demonstration of leadership at the Paris conference to give the alliance new life.

Mansfield said he thinks Eisenhower's presence is likely to spur the forthcoming NATO summit conference to greater efforts toward unifying and expanding the West's defenses. But Mansfield said in an interview the job of making NATO effective is going to be difficult.

"The President still has a great amount of prestige in Europe," he said. "But he is going to have to get down to bedrock with our allies: NATO can't continue to exist as a symbol of defense and not a shield."

Two Arrested But Fugitive Still Sought

IDABEL, Okla. (U. P.) — Searchers

today pressed a manhunt for David Roden, an escaped convict who disappeared after a deputy sheriff was critically wounded Tuesday by a point blank shot.

Officials declined to explain the arrest of two Foreman, Ark., men. Sheriff Bud Murphy of McCurtain County identified them as Bill Knighton and Bob Hopson and said they were being held for questioning.

Deputy Sheriff Hartford Compton, 32, was reported still in critical condition with shrapnel wounds in the face and chest. He is in a DeQueen, Ark., hospital.

Compton was wounded while Oklahoma and Arkansas officers were searching Tuesday morning for Roden, 32, who escaped from the Hot Spring County Jail at Malvern, Ark., Nov. 24.

County Atty. Lewis Martin said a charge of assault with a deadly weapon with intent to kill was filed yesterday against Roden.

Officers began their search for Roden in the northeastern part of the county near the Arkansas state line Tuesday and found evidence had been at a home owned by Knighton near Smithville, Okla. Sheriff Murphy said Knighton left told them Roden had been at his home but had left. The officers Compton on guard and continued the search.

Infirmary Burns Five Persons Dies

BARDTOWN, Ky. (U. P.) — Five

persons burned to death today when a fire destroyed the Oelsou County infirmary five miles outside this whisky distilling center.

Three other occupants of the building were carried to safety by the superintendent, Parkland Hubs.

Firemen, fighting the blaze in 10-degree temperatures, were hindered by lack of water and by hoses stiffened by the cold.

The superintendent's wife explained the fire apparently started from a defective furnace. Workmen had been called out twice this week to repair it.

The blaze also destroyed a meat house and a wash house adjoining the main two-story building where the patients lived. The eight were the only occupants of the infirmary, used mainly to house elderly people.

Gradual Withdrawal of Price Fixing, Controls Urged by Farm Bureau Federation

By OVID A. MARTIN
Associated Press Farm Writer

CHICAGO (U. P.) — The American Farm Bureau Federation prepared today to close its annual convention today with adoption of a platform calling upon government to begin gradual withdrawal of its crop price-fixing and control programs.

Resolutions set to be acted upon by delegates at today's final sessions called present programs a failure.

The platform would map out a new task for controversial price supports. It would be that of promoting "orderly marketing" in conjunction with operation of the free market factors of supply and demand.

The policy statement said supports have been used to "guarantee unrealistic prices." The result, it said, has been pricing of products out of markets, the encouragement of excess production and the piling up of surpluses at great expense in government hands.

The platform declared that if supports are used for the proposed new purpose, farmers would be enabled to do a better job of meeting competition at home and abroad and of improving their income.

In taking this position, the federation would stand—as it has in recent years—beside Secretary of Agriculture Benson in appealing for less federal intervention into farmers' operations.

Benson, in a talk warmly received by the farm bureau delegates and members, told the convention yesterday that "American agriculture cannot be successfully operated by rigid formula from a desk in Washington."

He was roundly applauded—and booed by a few—when he declared that he intended to fight for his farm policies.

In an apparent reference to critics in the Democratic as well as in his own Republican party, Benson said:

"My personal attitude is one of resignation—not of resignation."

He told the federation that the administration will ask Congress for greater discretion in setting price supports on basic crops and for other changes in farm laws that would give the farmers more freedom in deciding what crops they should grow and market.

Body Works Firm Gets Big Judgment

LITTLE ROCK (U. P.) — Ward

Body Works, Inc., of Conway yesterday was granted a judgment for \$176,128 plus interest on an alleged debt in a suit against Ward School Furniture, Inc., also of Conway.

G. Williamson of Little Rock, attorney for the plaintiff, said most of the stock in both firms was owned by D. H. Ward, his wife and their children and the suit was filed in order to merge the companies.

Ward Body Works filed suit for the debt and for foreclosure on property it contended was mortgaged by Ward School Furniture. The suit said the defendant executed a promissory note for \$88,052 to the plaintiff on Oct. 15, 1935, and since then the plaintiff advanced another \$108,094 to Ward School Furniture. No payment was made on either debt, the suit said.

In an answer filed Tuesday, Ward School Furniture made a general denial of the allegations.

The decree Chancellor Guy E. Williams entered was for judgment of \$80,032 plus four per cent interest. He allowed five days for payment, and if payment is not made then there will be a public sale at Ward School Furniture plant Dec. 30 for the auction of 236 pieces and equipment and machinery.

Williamson said the plaintiff then would foreclose and the merger of the firms would be completed.

Ward School Furniture, Inc., was organized in 1935 and has a capital of \$100,000. It is owned by D. H. Ward, his wife and their children.

Ward Body Works, Inc., was organized in 1935 and has a capital of \$100,000. It is owned by D. H. Ward, his wife and their children.

Cites Value of Larger Satellites

WASHINGTON (U. P.) — An Army missile expert said today larger earth satellites have "tremendous military significance."

He indicated development of such devices could be speeded if money is available.

Brig. Gen. J. A. Barelay, deputy commander of the Army's Ballistics Missiles Agency at Redstone Arsenal in Alabama, said:

"The scientific importance of satellite projects is uppermost in our minds at the moment. But larger carriers, propelled into orbit by larger rockets, have tremendous military significance also."

"For the purposes of continuing reconnaissance over the entire surface of the globe, the ever-seeing eye in outer space is unquestionably the most important. Other possibilities are opening before us, ours for the taking, if our people are now in a mood to commit the resources necessary to the task and to put first things first."

Barelay's remarks were made in a speech prepared for the National Security Industrial Assn.

Camden Firms Deny Water Pollution

CAMDEN, Ark. (U. P.) — Two Camden industries have denied that waste from their operations is polluting the lower Ouachita River.

A hearing on the matter was conducted here yesterday by the Arkansas Water Pollution Control Commission.

At issue was the question of whether waste materials were being fed into the Ouachita River through two bays. The Commission said pollution was being caused by industrial waste from International Paper Co.'s Camden paper mill and Barrett Roofing Co., and sewage from the city of Camden.

Spokesmen for the paper mill said the company treats water which contains waste before it is released into the Ouachita.

A roofing company spokesman said waste from Barrett's operations contained little harmful material and no chemicals.

The city of Camden offered no testimony about sewage disposal.

W. D. H. Rodriguez of Monroe, La., said the Monroe watershed is becoming inadequate and the city will have to get additional water from the Ouachita. He expressed concern over upstream pollution.

The Pollution Commission will meet at Little Rock Jan. 21 and a transcript of yesterday's testimony will be presented for action.

Three Children Die in House Fire

RUTH SHORE, Ky. (U. P.) — Three children burned to death last night when fire destroyed their home in a remote section near this eastern Kentucky community.

The parents, Mr. and Mrs. Charles Sowards, led three other children to safety.

State Trooper Estel Coleman said the fire apparently started from an overheated stove. He said flames spread so swiftly firemen couldn't reach the scene in time to save the three-room frame house.

The victims were identified as Terry Allen Sowards, 5, and his sisters, Rita Gail, 4, and Minnie Maxine, 7.

The fire broke out at about 10 p. m. and the firemen arrived at about 11 p. m.

The fire broke out at about 10 p. m. and the firemen arrived at about 11 p. m.

Transit Strike Improvement Denied by Union

NEW YORK (U. P.) — Transit officials and police today reported growing improvement in subway service, disrupted since Monday by a motemen's strike which has created travel difficulties for millions.

But an official of the striking union termed "a damned lie" a claim of the New York Transit Authority that more and more motemen were going back to work.

Frank A. Zelano, executive secretary of the Motemen's Benevolent Assn., said such claims were only intended to stampede and confuse the men.

Police headquarters said about 70 per cent of scheduled subway train runs were made during the rush hour today, a figure somewhat above yesterday's performance.

The Transit Authority said 72 more motemen appeared for work between midnight and 8 a. m. than on the same shift yesterday, putting the total today at 404.

Yesterday's figure was 422. The normal work schedule for these hours called for 816 men.

A TA official termed significant the fact that 58 motemen reported for work on the independent division of the subway system early today, as compared with 27 yesterday.

The MBA has more members on the independent division than on the other two subway divisions in the city.

"The Transit Authority report that men are returning to work is a damned lie. It was intended to stampede and confuse our men, to lose this fight. They're desperate, and they'll use any foul means," Zelano said.

The MBA, with support from other craft unions, called its walk-out an effort to obtain bargaining rights with the Transit Authority. Last night, Zelano declared there was a chance of settlement of all issues but did not elaborate.

Defends Public Disclosure of Test Failure

NEW YORK (U. P.) — Secretary of Labor Mitchell, describing a free press as basic to democracy, today defended public disclosure of the failure of the Vanguard satellite test.

"There is no question at all that open disclosure is necessary and desirable in any country in which the people govern themselves," Mitchell said in a speech prepared for the Life Insurance Assn. of America.

"The fact of public knowledge is far more important to the strength of democracy than any technical achievement could ever be."

The Navy's project Vanguard last Friday made the first U. S. effort to launch a small test satellite. The Vanguard rocket exploded on the ground at Cape Canaveral, Fla. Vanguard spokesmen blamed a mechanical failure.

Mitchell said experimental failure is inevitable in any scientific undertaking.

"Some persons insist on hearing about it, and then act as though they win't have had it. I can only call such attitudes childish and illogical," he said.

The Vanguard rocket exploded on the ground at Cape Canaveral, Fla. Vanguard spokesmen blamed a mechanical failure.

Leggett Hearing Is Set for Friday

LITTLE ROCK (U. P.) — A hearing will be held tomorrow afternoon before Circuit Judge William J. Kirby on Emmett Earl Leggett's petition for a review of the 1936 trial which resulted in his conviction to murder and sentence to electrocution.

The petition was filed under provisions of a controversial 1937 act which possibly might allow Leggett six months in which to appeal.

In view of the petition, Gov. Orval Faubus last week granted Leggett his fourth reprieve from death. The new execution date for the 20-year-old Leggett is Jan. 10.

Hotel Blast in Greenville, Tex. Kills One

GREENVILLE, Tex. (U. P.) — A shattering explosion rocked the three-story Beekham Hotel last night and was followed by raging fire. One body was found in the ruins. One of the 32 registered guests was missing.

The body of Joshua B. Crater of Celeste, Tex., a guest at the hotel, was found in the wreckage on the third floor.

Three persons were hospitalized and others were treated for cuts, bruises and shock. Fifteen elderly men lived at the hotel, which also was popular with traveling men.

Local Person Could Be Aided by Rotary Club

Hope Rotary Club will hold its annual fund raising meeting for the hospital for crippled adults at Hotel Barlow Friday noon.

Purpose of the hospital, located at Memphis, is to give orthopedic treatment to any adult who can be helped and is unable to pay for it. The ultimate purpose is to relieve physical suffering, restore lost hope and to enable the patient to become self supporting.

The hospital has a capacity of 50 beds and only physical handicapped persons 21 years and older can receive its benefits. Started in 1923 this hospital had helped thousands yet not one cent has ever been paid any doctor for services rendered. It is supported entirely by voluntary contributions.

Hope Rotary has always been generous in its support of the hospital and the Rev. L. T. Lawrence is a past president of the Tri State Association for Cripples, Inc.

Anyone knowing of a person who might be eligible for treatment should contact a Rotarian for necessary arrangements. Any donations to the hospital are welcome and will be included in the annual fund sent from the local Rotary Club.

Presbyterians Plan Special Yule Services

The Christmas season will be observed at the Presbyterian Church with special services this Sunday and a week from Sunday. At the morning worship service this coming Sunday a new Christmas story, "Raphael, the Herald Angel," will be told instead of the sermon.

The story was just published last month and was selected by the Book-of-the-Month Club for December.

The Annual Candlelight Service will be held Sunday at 5 o'clock under the direction of Mrs. Franklin McFarly. The sanctuary will be illuminated by candles only.

Mrs. McFarly has prepared a very interesting program with the assistance of Superintendent Joe Amour and the teachers of the Sunday School and Mrs. R. L. Gosnell and the Junior Choir. This is also the Annual Yule Service.

On Sunday, December 22nd, the choir, under the direction of Mrs. Gosnell, will present the cantata, "A Star in the Sky." At the vesper hour on this Sunday there will be a special Christmas program in Fellowship Hall with a Christmas tree.

Dec. 31, Disaster Loan Deadline

LITTLE ROCK (U. P.) — The Small Business Administration has announced that Dec. 31 is the deadline for filing disaster loan applications in connection with flood damage last June.

The SBA issued an order June 5 declaring as disaster areas the counties of Benton, Madison, Carroll, Boone, Sevier, Crawford, Sebastian, Franklin, Logan, Johnson, Pope, Conway, Perry, Putnam, Logan, Jefferson, Little River, Greene and Polk.

Sordis Singing Set for Sunday

The regular monthly singing services will be held at Sordis Church on the Hope-Palmos road Sunday afternoon at 2 o'clock, according to J. L. Beckham. Everyone is invited. The program starts at 2 p. m.

Top Candidate Turns Down Manager Job

LITTLE ROCK (U. P.) — The top candidate for the post of Little Rock's first city manager has turned down the job, giving as one of his reasons the fact that he was somewhat worried over the integration problem.

Dean J. Dauley, city manager of Grand Prairie, Tex., telegraphed Mayor Werner Knoop last night that he would not come to Little Rock.

He was the board's choice among 30 applicants and was expected to take the post.

Dauley reportedly would have received a salary of \$17,500 a year at Little Rock. He gets \$13,500 at Grand Prairie.

Although Dauley declared in a telephone interview from his home at Grand Prairie that he was unable to pinpoint reasons for his refusal, he mentioned that Little Rock's Central High School integration dispute had a bearing on his decision.

Auto Dealers Bring Total to \$45,100

Hope's automobile dealers and related businesses, sent the Hempstead County Industrial Foundation fund raising today to a new total of \$45,100.

The fifth report brought to a total 45 firms and individuals who have purchased stock in the foundation, and maintained the pace of better than an average of \$1,000 per subscriber.

The goal is \$250,000 and daily tabulations will continue until that figure is reached.

Previously reported: \$35,900 Hope Auto Company, 2,500 Young Chevrolet Co., 1,500 The Trading Post, 1,200 Nunn-Pontecorvo Motor Co., 1,000 Wyllie Glass & Salvage Co., 800 E. B. Davis Oldsmobile Co., 700 Archer Motor Co., 600 Keady Buick Co., 600 Y. C. Coleman Garage, 300

Total to date \$45,100

Friday, December 13

Mrs. J. S. Gibson will be hostess to the Rose Garden Club on Friday, Dec. 13 at 2 p.m. with Mrs. Aline Johnson and Mrs. S. L. Murphy as co-hostesses. All members are reminded to bring their dish garden for hospital patients.

Saturday, Dec. 14 Hope Country Club Christmas Formal will be held Saturday night Dec. 14, beginning at 9 o'clock. This dance is invitational. Hosts are Mr. and Mrs. Harold Stephens, Mr. and Mrs. E. P. Young Jr., Mr. and Mrs. George Frazier, Mr. Paul O'Neil and Mr. Luther Hollimon.

Sunday, December 15

The Service Class of the First Christian Church will serve coffee and cake to their members at the usual meeting time, Sunday, Dec. 15. Gifts will be presented to the officers and all members are invited to be present.

Monday, December 16

The Jett B. Graves Sunday School Class of the First Methodist Church will have a Christmas party Monday, Dec. 16 at 7 o'clock in the main dining room of the Diamond Cafeteria. All members and former members who are now teaching in other departments are asked to be present. Each person is asked to bring a wrapped gift to be exchanged. The program will be under the direction of Mrs. E. R. Brown and her pupils. For reservations call Mrs. Lloyd Kin-

ard, 7-2636 by noon Saturday.

Harmony Bible Class of the First Christian Church will have Christmas meeting and luncheon Wednesday at 1 o'clock. Dec. 16 in the private dining room of the Diamond Cafeteria. Bring a gift for exchange not to exceed \$1.00. If you plan to attend, please notify Ruth Rettig, Sunday, Dec. 15.

All members of the Business Woman's Circle of the First Baptist Church are urged to attend the Christmas meeting to be held in the home of Mrs. M. S. Bates, 1516 So. Elm Monday, Dec. 16 at 7:45 p.m. The theme and purpose of the meeting will be the Little Moon Christmas offering for Missions. Endeavoring to make her home a place reflecting the beauty and religious significance of the Christmas season, Mrs. Bates will create an atmosphere of peace, love, service and spiritual inspiration which with the carefully planned program will enable those attending "to get the real Christmas spirit."

Tuesday, December 17

The Lilac Garden Club of Dec. Ann will have its Christmas party in the home of Mrs. Evelyn Burke, with Mrs. Richard Arnold as hostess, Tuesday, Dec. 17 at 7 p.m.

Lilac Garden Club Members Enjoy Christmas Luncheon. Lovely yuletide decorations of hurricane lamps with burning red tapers surrounded by mandarin foliage and berries were used on

the U shaped table at the Diamond Cafeteria for the Lilac Garden Club Christmas luncheon Wednesday at 1 o'clock.

A three course dinner was served to the 23 members and three guests. Mrs. J. C. Carlton, Mrs. William E. Harris and Mrs. Theo E. Bonds.

The program was in charge of Mrs. W. E. Harris and she used record recordings of Christmas carols to portray her message and as the recordings were playing she gave narrations.

Gifts were exchanged from the beautifully decorated Christmas tree.

J. C. Atchley & Co. of Hope and Magnolia Entertain with Christmas Party. Mr. and Mrs. J. C. Atchley, Mrs. Lucille Atchley and Mr. and Mrs. Harold Edwards of Magnolia entertained their employees and their families with a buffet dinner and party at the Hope Country Club, Tuesday evening, Dec. 10, at which time employees received

bonuses. Those enjoying the occasion were: Mr. and Mrs. Ural Cloud and Mary Beth of Arkadelphia; Mr. and Mrs. Aubrey Nix of Magnolia; Mr. and Mrs. Joe Hollis; Sidney Wayne and Cynthia; Mr. and Mrs. Roy Taylor and Carol Ann; Mr. and Mrs. Clyde East and Thomas; Mr. and Mrs. Rufus Smith; Joe Roy, Stevie and Donnie Atchley of Hope; Sharon Ann Edwards of Magnolia and the hostesses.

Mary Sue Buckett Honored on 12th Birthday

Mrs. Olla Partell and Mrs. Ross Gleghorn honored their niece, Mary Sue Buckett with a party on her 12th birthday, Tuesday, Dec. 10 at the home of Mrs. Partell. Assisting the hostess were the honorees mother, Mrs. Tom Duckett, sister-in-law, Mrs. Tim Duckett and aunt, Mrs. Pod Rogers.

Christmas and birthday decorations and arrangements were used on the mantle, dining table and

throughout the house. Games were played and prizes went to Dora Kila, Byrona Dwayne Cunningham and Brenda Duffy. Sue opened her many beautiful gifts from the following friends: Cherry Ann Anderson, Susie Dean, Rosemary Baystager, Bryan Cunningham, Sue Taliaferro, Joy Ann Davis, Jackie Grigg, Jennifer Cox, Brenda Hahim, Patricia Goodwin, Jan Ellis, Barbara Reese, Dora King, Doug and Brad Rogers, Gail Johnson, Karen Ann Cobb, Betty Lynn Munn, Brenda Duffy, Jean Page, Ruth Ann Mohon, Ginny Warren, Mary Ann Beatty and Linda LaGrossa.

The Happy Birthday song and several songs the group learned in Glee Club at school were sung to Sue before refreshments and favors were served.

Coming and Going

Mrs. Pansy Williams and daughter returned to their home via plane in Oklahoma, Calif. after a

months visit with Mrs. Williams' parents, Mr. and Mrs. T. L. Smith.

Hospital Notes

Memorial Admitted: Mrs. George Ward Buckner; Mrs. J. C. Walton, Fayetteville. Discharged: Mrs. Jimmy Hollis and baby girl, Hope; Rosie Polk, Dexter, Hope; Mrs. Elizabeth Dillard, Hope.

There are 48 state parks in the state of Texas.

BUY YOUR CHRISTMAS TREES

From the GIRL SCOUTS...

As prime a batch of New shirts as you'll ever see!

Penney buyers ate and slept sport shirts for months... looked at every style.

every pattern, every fabric offered by every important manufacturer...

suggested improvements here, made a careful buy there...

rejected hundreds that just weren't good enough for our Towncraft label...

finally came up with this top line-up for Christmas Features...

Penney's Towncraft SHIRT RALLY

TOWNCRAFT'S BRAND NEW AIR JET ACETATES GIVE YOU CRISP, EXTRA FULL BODY WITHOUT WEIGHT

... give you style-setting luxurious natural lustre, brilliant "color-locked" woven patterns, too!

It's Penney's choice for the "find" of the season... rich Chromspun acetate, processed in a revolutionary new way, for brand new beauty, brand new comfort... then woven into bright fashion plaids 'n stripes that neither age nor the washing machine can dim. Penney's price is a "find," too... appreciated even better after you check that terrific Towncraft tailoring and exclusive comfort fit.

*Machine wash in lukewarm water.

U. S. Calls Off Arms Shipment to Yugoslavia

WASHINGTON — The United States has ordered a halt to military aid shipments to Yugoslavia at the request of Marshal Tito.

Responsible officials who disclosed this today said Tito requested the halt in the program which started in 1950.

Tito told Ambassador James W. Riddleberger at a meeting on the island of Brioni last Friday he was irritated at frequent State Department reviews of the program.

Tito's decision to reject further American military aid came at a time when the State Department was engaged in another of its reappraisals of the program. This American review stemmed mainly from the Yugoslav government's decision to recognize the Communist East German government.

Antarctica covers about 5 1/2 million square miles, with an altitude of 9,200 feet above sea level at the South Pole.
